- Bundled with Z-Wave Enabled Nodes (not included)
- Standalone Accessory For Total Home Control

HELIX™

HIGHLIGHTED FEATURES

Designed for up to 5 Mode Operations
4 Universal modes control TV, VCR, DVD, PVR, CBL/SAT, CD, Amp/Tuner, Video Accessories, and CD IR-based devices. 1 additional mode is dedicated for Z-wave enabled home control.

Infrared Code Library
Largest and most comprehensive infrared database in the world, free of duplicate or unusable codes for unsurpassed customer satisfaction.

Upgradeable
UEI patented technology ensures flexibility in an ever-changing market.

Permanent Code Retention
Ensures that device codes are never lost when batteries are removed or replaced.

Device Default Setting
Shipped preprogrammed to your specific application defaults.

Macro Capability
A/V and home controls can be incorporated into total home control macros, allowing a single key press to execute an AV command and switch the lights.

User Defined Keys
Our keymover feature combined with our proprietary software allows you the flexibility to define keys and their location on your remote.

Ergonomic Design
Intuitively designed keys, color coded, logically grouped, combined with an ergonomic design result in a comfortable, easy to use product.

Custom Key Labels
Pick and choose your own key descriptions.

Custom Logo
Improve brand awareness by displaying your own custom logo.

HARDWARE SPECIFICATIONS

Power Supply
4 AAA batteries (not included)

Infrared Transmit Range
50 feet (15.2 m)
